I'm not even sure you can call this an "idea" so much as it is an attempt to replicate the look of an early 20th-century bathroom, but with modern materials. For one, the cream-colored subway tile wrapping around the room, wainscot-style. For another, the classic pedestal sink with polished nickel fixtures.

Art criticism - Art criticism - Art criticism in the 20th century: In the late 19th and early 20th centuries, many critics continued to grapple with the newness of the generation of artists inspired by Impressionism. The work of Post-Impressionist painter Paul Cézanne made the avant-garde problem become even more explicit to critics, as the British critic Roger Fry's eloquent analysis and
