A perpetual menace : nuclear weapons and international ...

The value of the book, A Perpetual Menace: Nuclear Weapons and International Order, lies in its subtitle: Walker surveys this poorly covered niche with breadth and without academic jargon in a work intended for an audience of general readers as well as practitioners and academic peers. He succeeds best when recasting key events in nuclear history through the lens of an evolving, ragged, but surprisingly successful nuclear order.

A Perpetual Menace : Nuclear Weapons and International ...

William Walker's book, A Perpetual Menace, on nuclear weapons and international order is one of the most important additions to the nuclear literature of the past decade. Its main contribution lies in its breadth of analysis, which helps define the nuclear order and chart state-led efforts to shape it from the early 1940s to the present day.

A Perpetual Menace | Taylor & Francis Group

In a July 1944 letter to President Franklin D. Roosevelt, Danish physicist Niels Bohr warned of the dangers of nuclear weapons and the need for controlling the fissile materials that are their key ingredients, urging that "unless ... some agreement about the control of the use of the new active materials can be obtained in due time, any temporary advantage, however great, may be outweighed by a perpetual menace to human security."1

CONFRONTING THE "PERPETUAL MENACE TO HUMAN SECURITY ...

sult, nuclear weapons have now become a 'perpetual menace to human society', in Bohr's words. 491. Even if the arms race is not a new phenomenon, mankind's present predicament is certainly unique. Whereas most if not all previous instances of competitive arms build-up and rivalries in weapon development have eventually culminated in conflict on the

The Perpetual Menace to Human Society

By Donald Gilpin Three experts on nuclear weapons, each with a sharply different perspective on "A Perpetual Menace: Nuclear Weapons Today, Tomorrow, Forever?", spoke to a capacity audience of about 100 at Princeton University's Robertson Hall on Monday.
