Old European beliefs attribute great powers to a Hand of Glory combined with a candle made from fat from the corpse of the same malefactor who died on the gallows. The candle so made, lighted, and placed (as if in a candlestick) in the Hand of Glory, would have rendered motionless all persons to whom it was presented.

Hand of Glory - Wikipedia

Dead Hand, also known as Perimeter, is a Cold War-era automatic nuclear weapons-control system that was used by the Soviet Union. General speculation from insiders alleges that the system remains in use in the post-Soviet Russian Federation as well. An example of fail-deadly and mutual assured destruction deterrence, it can automatically trigger the launch of the Russian intercontinental ballistic missiles by sending a pre-entered highest-authority order from the General Staff of the Armed Force
