Western education in the 19th century The social and historical setting From the mid-17th century to the closing years of the 18th century, new social, economic, and intellectual forces steadily quickened—forces that in the late 18th and the 19th centuries would weaken and, in many cases, end the old aristocratic absolutism.

### Education - Western education in the 19th century | Britannica

18th Century Changes in Conceptions of Childhood. Throughout the century, a somewhat more sympathetic and modern view of childhood took hold. The religious insistence on original sin began to fade among the rationality of the Enlightenment and the optimism of capitalist middle class growth (O'Malley).

### Defining 18th Century Childhood | Nicole DeGuzman

In the 18th century there were no schools in the southern states of America that admitted black children to its free public schools. Fearing that black literacy would prove a threat to the slave system whites in the Deep South passed laws forbidding slaves to learn to read or write and making it a crime for others to teach them.

### **Education of Slaves - Spartacus Educational**

Making a good marriage was the most important if not only goal of upper-class girls in the 18th century. Thus, the focus of a young aristocratic woman's education was centered around making her as marriable as possible. These girls were often, as in Titania's case, educated by French or English governess or by waiting gentlewomen.

### **Education of Upper-Class Girls**

Education in the American colonies began as a religious endeavor. In the seventeenth century, New England's Puritan settlers stressed that everyone learn how to read the Bible. Puritan leaders began enforcing this through the Massachusetts Bay School Law of 1642.

### **Education to the Masses - US History Scene**

The mention of the governess by Lady Catherine De Brough is referring to the at home and private education system that was popular for educating women in the 1800 th century. Though the definition of the education system was very different, more based on accomplishments, which is pointed out in "Women's Roles and Rights in Regency England". Jane Austen was educated through this system ...
