It can be assumed that the 26th Century New York City comprises a great deal more area than it did in the 21st. The Greater Chicago Industrial Zone and New Phoenix serve as examples of 26th-Century metroplexes that grew from what used to be smaller cities in the past. NYC had around 8.5 million residents in the early 21st century.

New York City - City - Halopedia, the Halo wiki

Envoy was a great read, and I highly recommend it to avid Halo lore readers and newcomers to the series as well, as long as you have somewhat of a basic understanding of the games. But even then, Tobias Buckell does a good job of explaining everything without it feeling like a slog for those who already know some backstory.
