Henri Poincaré : a scientific biography : Gray, Jeremy ...

Henri Poincare: A Scientific Biography is a welcome addition to the historiography of science. We have our biographies of political figures, activists, and literati but there is less material on scientists. This book makes a contribution by examining the life of an important scientist. Poincare was of course more than a scientist.

Henri Poincaré: A Scientific Biography - Free Online Library

Jules Henri Poincaré was a noted French mathematician, theoretical physicist, engineer, and philosopher of science. Educated first at Ecole Polytechnique and then at Ecole des Mines, he started his career at the University of Caen as a junior lecturer in technical mathematical analysis.
