goals are communicated and translated into action. Without the correct methodology, organizational culture and systems in place, most strategies fail in their execution.

Hoshin Kanri: All You Need To Know | i-nexus

Hoshin Kanri (Japanese: 方針管理, "policy management") is a 7-step process used in strategic planning in which strategic goals are communicated throughout the company and then put into action. The Hoshin Kanri strategic planning system originated from post-war Japan, but has since spread to the U.S. and around the world. Translated from Japanese, Hoshin Kanri aptly means "compass management".
