For a start daily brushing and cleaning between your teeth is important because it removes plaque. If the plaque isn't removed, it continues to build up and causes tooth decay and gum disease.

'Why we don't brush our teeth in ten years - and you ...

I know my type 2 girls are always trying to get their waves and curls to look cohesive, at least I always am! Because our hair tends to be a bit finer in texture, the closer the pins are on the brush, the more definition we'll get. That's why I'd recommend the D3 Classic Styling Brush for anyone with waves or loose curls.

How to Choose the Right Denman Brush for Your Curls ...

my teeth are decaying and i dont know why cuz I brush my teeth everday etc. My brothers and sisters have this problem too wondering if its genetics i dunno every dentist i go to tell me its from not brushing but i know better ive never had gingivitis and they just tell me its my fault but its not and i know its not fixible. Im only 18 and probaly have to have them pulled but i dont want to.
