### Liminal Thinking Create The Change

Liminal thinking is the art of finding, creating and using thresholds to create change. It is a kind of mindfulness that enables you to create positive change. The nine practices of liminal thinking can be summarized as three simple precepts: 1. Get in touch with your ignorance. 2. Seek understanding. 3. Do something different.

### Liminal Thinking: Create the change you want by changing ...

Liminal thinking is the art of creating change by understanding, shaping and re-framing beliefs. A belief, in general, seems like a perfect representation of te world, but, in fact, they are only imperfect models. Beliefs are constructed hierarchically using theories and judgments who are based on selected facts and personal subjective experiences.
