Still, our team enjoyed being in EPCOT, revisiting some of the few sites that still hold those original EPCOT vibes. EPCOT has changed dramatically and sadly it is in a state of limbo. Construction for a massive revamp of the park is nearly halted thanks to COVID-19 and the massive financial impact it has caused.

This brief foray into history raises some wider points about what grand strategy is or is not, and what it may or may not mean. Above all, grand strategy is a concept rooted in the demands of making strategy in the real world. It was never intended to be a universal contribution to strategic theory, and ought not to be regarded as such.

It Was Grand, But Was it Strategy? Revisiting the Origins ...

Without contesting the importance of natural selection to Darwinism, much less supposing that a fully-formed "Darwinism" stepped out of Darwin's head in 1859, this innovative volume aims to return to the text of the Origin itself. Revisiting the 'Origin of Species' focuses on Darwin as theorising on the origin of variations; showing that Darwin himself was never a pan-selectionist (in contrast to some of his followers) but was concerned with "other means of modification" (which makes him ...
