Read Free Riddles Folktales And Proverbs From Cameroon

Many collections of folktales and legends, of lyric and heroic songs, and of riddles and proverbs have been recovered directly from popular tradition within the past three or four centuries. When the collection of this material began, it was nearly always rewritten in the prevailing literary fashion.

Folktales Folktales: A folktale is a popular story that was passed on in spoken form, from one generation to the next. Usually the author is unknown and there are often many versions of the tale. Folktales comprise fables, fairy tales, old legends and even 'urban legends'. Children develop a sense of imagination when reading and studying
