Custom 1911: How To Get The Exact Gun You Want

Custom 1911 pistol makers usually make their own parts in house, instead of buying triggers, safety levers, grip safeties, hammers, sear levers and so on. These parts are made oversized by a few ten-thousands of an inch, just big enough to require a gunsmith to file away enough material for it to fit.

Amazon.com: Customer reviews: The Custom 1911

The 1911 is ambiguous as it is classic. The gun's mission changed over the years. Originally a military sidearm, the 1911 is now a favorite among law enforcement special operation units, military and competitors, as well as those interested in self-defense. While the basic design has changed very little, some brilliant people have advanced John Browning's classic and brought it into a new century.
