Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

The Firm The Market And

The Firm, the Market, and the Law is more or less a summary of Coase's most important work, containing his famous The Nature of the Firm and The Problem of Social Cost, but also several other papers, plus ample commentary from Coase himself circa I guess –1990. Coase died in 2013 at the ripe old age of 102.

The Firm, the Market, and the Law by Ronald H. Coase

In this book, a well known theorist of the multinational firm extends his major contributions to encompass the scope of the firm in general. Casson presents a model showing how the different activities of the firm - R & D, production, marketing, and distribution, for example - are linked in a way that is just as important in determining the scope of the firm as are the traditional factors of ...

The Firm and the Market | The MIT Press

The Firm, the Market, and the Law, therefore, deepens the arguments of Smith, and makes clearer the interactions among the three most important institutions in human society: firm, market, and law.
