Our proprietary L.E.A.P (Learning Experience Academic Program) curriculum encourages children to learn in their favorite way: by exploring and doing. They achieve success independently while developing intellectually, socially and cognitively through varied early educational materials, activities and social interactions.

### Our Early Education Programs | The Learning Experience

Joy occurs when the user is able to achieve their objectives easily and comfortably, the sought-after information is displayed in an easily digestible manner and the visual aesthetics meet the user's standards. Joy should not be mistaken with fun, though.
