The Mediterranean City In Transition

The transition from feudalism to capitalism has occurred in many different ways and the variety of forms and methods of this transition is particularly evident in Southern Europe. Focusing on Greater Athens between 1948 and 1981--the crucial period of transition--the author explores the role of social classes in urban development in the cities of Mediterranean Europe.

The Mediterranean Sea is a sea connected to the Atlantic Ocean, surrounded by the Mediterranean Basin and almost completely enclosed by land: on the north by Southern Europe and Anatolia, on the south by North Africa, and on the east by the Levant. Although the sea is sometimes considered a part of the Atlantic Ocean, it is usually referred to as a separate body of water.

Mediterranean Sea - Wikipedia

Mediterranean cities are carrying Gramsci's concept of spontaneity into the 21st century through massive social movements after the 'Arab Spring'. This paper explores the ways in which the material and virtual cityscape interact with socio-political transformation during the 'movement of the piazzas' in Athens, Greece.
